NOVEMBER NEWSLETTER

Competition Info

Choreography

We are starting Comp Choreo this month! So attendance is very important for dancers to be in all sections of their routine. Those who miss class are expected to learn the choreography they missed on their own time and be prepared to jump in next class! Unexcused absences will result in dancers being removed from sections or from competitions. Please be respectful of your team and choreographers with regular communication about attendance issues.

Fee Payments

The first Competition Fee installment has been posted to accounts and Auto Pay has been run. Those not on Auto Pay will have until **November 30** to pay this installment. **We also require tuition fees up to end of October be paid** by this time before we register dancers for competitions. If you have any concerns please contact [Cody](#) to discuss.

Solos/Duets/Trios

Are you interested in preparing a solo or duet for competition? Dancers can audition by submitting a 30s video of themselves dancing any Street Dance choreography. Along with your video please tell us which choreographer(s) you would like to work with and which competitions you would like to perform at.

The Deadline for submissions is **November 24th**. Please post videos to YouTube as private and email video links to admin@illfxeducation.com.

FEES *(due by November 30)*

Solo - \$450

Duet - \$650 (\$325 each)

Trio - \$810 (\$270 each)
